Payment: We must receive your payment in full before any swim lessons are scheduled.

Refunds: You may cancel your lessons up to but not less than fourteen (14) days before your first lesson begins. You will receive your refund for lessons ONLY. Registration fees are non-refundable.

Makeups: We will give makeup lessons for Private & Semi Private lessons for any reasons if we are notified **24 hours before your class time**. Makeup lessons for Group Sessions are only given for severe weather. The instructors are being paid whether or not **you** are there. Please call the office if you cannot make a lesson. It is not our instructor's responsibility to inform the office if you cannot make a lesson. Office phone is 281.443.7665.

Stormy Weather: If your class is cancelled due to weather, we will give you a makeup class. If the weather looks questionable prior to your class, please call the office to see if we are still teaching. The instructors will notify the office if they are out of the water. If the weather is severe enough to send the instructor home, we will notify you.

Location Use: Only the scheduled student may swim during their class time, unless you have a membership to that pool and the pool is open for recreational swim.

Parent/Child Classes: Your child **must** wear a swim diaper if he or she is not completely "potty trained". You may purchase reusable diapers or disposable water diapers. Your child will not be able to get in the water with a regular diaper; you will not receive a refund for that class if your child cannot participate due to lack of a swim diaper.
